

# Learning forecast for Year 3, Term 3

## Important Dates:

- **1st February 2019:** Numbers day
- **5th February 2019:** Safer Internet Day
- **6th February 2019:** Friends of MAPS Film Night
- **12th February 2019:** Poetry Recital
- **14th February 2019:** Think Tank Trip
- **15th February 2019:** Inter-house Singing

## Reminders for this term:

\***Year 3** will have PE on **Monday** and **Thursday** —your child will need full MAPS PE kit for both of these days (White T-shirt, black shorts and black pumps/trainers). Earrings should also be **removed** due to health and safety.

\*Planners need to be in school everyday and will be checked once a week.

\*Please ensure your child brings a healthy snack to school with them—fruit, cereal bar.

## What you can do to help your child:

\*We are trying to develop independence within the year group. Please try and support us at home too. The children should be taking responsibility for their home-learning each week, making sure it is completed. Please allow them to complete this on their own as much as they can. Also make sure your child is taking responsibility for their belongings including bags so they know what they're bringing to school each day.

\*You can listen to your child read regularly or read to them—we want to develop “A love for Reading!”

\*Rehearse times tables with your child regularly where the facts are out of order too—by the end of the year they need to know all times tables to 12x12!

## In school we will be...

- Revisiting our school virtue ‘gratitude’

## Key learning for this term:

- We are learning about Ancient Greece in History and the Human Body in Science.
- In ICT, we will be learning to touch type, open and save documents into our own folders using the google drive, using the keyboard shortcuts and Creating a power point
- In Spanish, we will be learning to greet people, name colours and describe people, places and actions
- In PSHE we will be learning how to celebrate difference

## Internet safety

Continue to keep your child safe online by following age restrictions on games and supervising their online time. Please look out for the activities on Safer Internet Day later in the term.

## Home Learning

Your child will bring home English or Maths home-learning once a week. In addition to this, it would really help if they go onto TT ROCKSTARS 3 times a week as well as practising their spellings. Please also encourage your child to read as often as possible.
